"*Zdrastuite*" (want to say **hello** in Ukrainian) and "*Shalom*" (want to say **hello** in Hebrew)! My name is Lena, nice to meet you!

I immigrated to Canada - to Winnipeg initially - from Israel in 2008. Born in Kiev (the Ukraine), I moved to Israel in 1993, where I acquired a Bachelor of Education at Oranim College - one of the leading schools for educators in Israel.

I went on to open and run a successful and well-regarded daycare in the northern Israeli town of Kiryat Yam for eight years. In Canada I acquired an ECE / Special Needs Certificate in both Manitoba and BC.

In 2011 me and my family moved to Victoria, and Congregation Ensance-El gladly accept my offer to re-establish the daycare that used to exist at the Synagogue annexe. Shalom Daycare was launched Setember that year. Shalom on Hillside was launched Setptember 2018.
