"Olá!" (want to say **hello** in portuguese) My name is Cristiana and I'm from Brazil. I came to Canada in 2017 with my family to study Early Childhood Education at Sprott Shaw College. After that I got a diploma in Business Administration at UVIC.

I have two sons and putting a tasty and good looking food at the table for them makes me happy. I also like to plan a day full of fun things to do together.

And watch a beautiful sunset at the beach is one of my top highlights in the summer.

With my experience raising two children combined with a degree in Early Childhood Education, I'm happy to be at Shalom to help children grow and learn in a loving, fun and safe way.
